YOUR FUNDRAISING FORM

WHO ARE REES FOUNDATION?

We offer help and advice to care experienced individuals about any concern and are always here to listen. We run a number of projects that hopefully can make a real difference to care experienced people of any age and want to celebrate any and all personal and professional achievements of those who have experienced being in care no matter how big or small.

WHAT CAN YOU DO TO HELP?

RUN FOR REES

Why not run for Rees?! You decide the distance and the rules, write it all out and ask people if they will sponsor you!

Running is even better when you have someone to do it with - why not ask a friend to do it with you?

CAKE SALES FOR REES

Organise your own bake sale! Raise some money for the Rees Foundation for organising your own bake sale at school or work.

Download a fundraising pack today, which even includes recipe ideas and posters for advertising!

SWIM FOR REES

If you love to swim, you could help us to raise money. Whether you'd like to do some lengths at your local pool or take on an open water challenge - do it for Rees!

Decide what you'd like to do and download a pack today!

OR WHY NOT CHOOSE YOUR OWN FUNDRAISER?
